Public Notice

June 23, 2026

Dear Interested Party,

Roca Honda Resources, LLC, announces that a Mine Operations and Reclamation Plan (MORP) for its Roca Honda Project (Project), as part of the New Mine Permit Application, has been submitted to the New Mexico Mining and Minerals Division (MMD) pursuant to §19.10.6.602(D)(15) NMAC. MMD has determined the MORP to be administratively complete and will now distribute the MORP to other reviewing agencies and begin technically reviewing the application. The
MORP is a component of the Permit Application Package, which is still under technical review.

The New Mine Permit application proposes the development of an underground uranium mine located approximately three miles northwest of the community of San Mateo, New Mexico, and approximately 22 road miles northeast of Grants, New Mexico, in McKinley County.

The MORP is available for public inspection at the New Mexico Mining and Mineral Division Office in Santa Fe, New Mexico and on their website at https://www.emnrd.nm.gov/mmd/mining-act-reclamation-program/pending-and-approved-mine-applications/mining-applications-regular-new/mk025rn-roca-honda-mine/

Written comments may be submitted to:

Director, Mining and Minerals Division
State of New Mexico
1220 South St. Francis Drive
Santa Fe, New Mexico 87505
Email Address: mmd.marp@emnrd.nm.gov

A public hearing will be scheduled as part of the mine permitting process. Written comments may be received prior to the close of the hearing record following the public hearing.

The permit applicant's address is:

Roca Honda Resources, LLC
225 Union Blvd., Suite 600
Lakewood, CO 80228
