Dear Mr. Macias:

Re: MEMORANDUM FOR RECORD.

In reference to your "MEMORANDUM FOR RECORD" letter dated November 20, 2014. Mr. Antonio Macias, Mr. Armando, Mrs. Armando Macias, Tom Head, and Bruce Taylor met to discuss questions pertaining to the Public Noticing of GRE002RE Revision 14-1 in conjunction with questions directed towards land status and future mining near property owned by the Macias family. We are pleased that our meeting has helped you to understand that this project will have a minimal or no impact on your property.

Sincerely,
