Dear Mr. Ennis,

Broken Pick Proprietary ("Broken Pick") would like to request the release of approximately 8.25 acres of reclaimed acreage within the Ojo Encino Mine, permit number MK043MN. The reclaimed area has undergone earthwork to recontour impacted areas to acceptable topographic character and furrows will soon be placed using a middle-buster plow. Reseeding activities in order to re-establish a climax vegetative community are scheduled to be completed by August 18th, 2017.

Please let me know if you have any questions or require further information.

Thanks,
