Dear Mr. Ennis,

This document presents a formal request of reclamation release for approximately 7.18 acres within the Ojo Encino Mine, permit number MK043MN. The acreage has been recontoured to match appropriate surface slope character and reseeded with a mix approved by EMNRD-MMD and BLM-FFO. Please see the attached documents for an illustration of the reclamation areas as well as the seed mix applied to the site.

Please let me know if there are any questions or comments.

Thanks,

Kris Lindgren
