Subject: [EXT] RE: MMD Technical Comment Letter Regarding the Reclamation Cost Estimate for Permit No. LU035MN

Hi Jen,

We reviewed the comment letter. The comments are straight forward. We'll start addressing them. Our engineer that helped me with the SRCE is in the field through the end of the year. We would like to request an extension to the 15 days and seek a 30-day extension with our responses and a revised SRCE due to MMD by January 23, 2021.

We appreciate your assistance and thank you for sharing the labor rate information.

Thanks!
