Re: Request for Comments, Summa Silver Mogollon Minimal Impact Exploration, Catron County, New Mexico, Permit No. CA027EM

Dear Dr. Wunder,

On March 12, 2021, the Mining and Minerals Division (“MMD”) of the New Mexico Energy, Minerals, and Natural Resources Department received an application from Summa Silver Corp. for a minimal impact exploration project north of Mogollon, New Mexico. The application proposes to drill 50 holes on 19 drill pads up to 2,000 feet depth on private, patented mining claims in Township 10 South, Range 19 West, Sections 27 and 28.

Pursuant to §19.10.3.302.G NMAC, MMD is requesting comments from your agency regarding the application. The application received from the operator can be downloaded from MMD’s website at http://www.emnrd.state.nm.us/MMD/MARP/SummaSilverMogollon_CA027EM.html

In accordance with §19.10.3.302.G, your agency has 20 days from the date of receipt of this letter in which to provide comments. The Director will consider these comments in making the decision about minimal impact status.

The Permittee has conducted a habitat assessment and cultural resource survey of the proposed project area. The habitat assessment can be found as part of the application, however the cultural resource survey is confidential and has been redacted from the application. The cultural resource survey has been submitted directly to the State Historic Preservation Division for their consideration.
