Dear Mr. Ennis:

The Navajo Nation Heritage and Historic Preservation Department's (NNHHPD) Traditional Culture Program is (TCP) in receipt of your letter regarding the State of New Mexico Energy, Minerals, and Natural Resources Department receiving an application from Horizon Ag-Products to increase the permit area and increase disturbance of site by approximately eight (8) acres, located at 23 Cubita Road, Cuba, New Mexico.

NNHHPD would like to apologize for the late responses on the consultation regarding the project. After reviewing your letter and cross referencing our Traditional Cultural Properties (TCP's) database, NNHHPD-TCP has determined that there are No Navajo TCP's within the project area and no concerns with the operations, you may proceed without further consultation.

If you have any additional questions, concerns or would like to discuss these issues further, please don't hesitate to contact our office at (928) 871-7198 or (928) 871-7152. Thank you for including the Navajo Nation in the consultation process.

Sincerely,

Timothy C. Begay
