Re: Request to Transfer the Banner Mill Permit HI001RE

Dear Mr. Schoeppner:

Summit Gold Corporation hereby requests the transfer of the Permit HI001RE for the Banner Mill and Mill Tailings Impoundment Facility previously operated by Pyramid Peak Mining, LLC of P.O. Box 123, 1219 Banner Mine Road, Lordsburg, New Mexico 88045. Pursuant to 19.10.8.802 NMAC, Summit Gold provides the following information to fulfill 19.10.8.802.A(1) through 19.10.8.802.A(4).

1. Obtain financial assurance coverage as required by 19.10.12 NMAC for the permit area

Summit Gold Corporation will work with MMD to provide financial assurance in the amount required by MMD to cover reclamation costs.

2. Provide proof to the Director that the transfer complies with the terms of the mineral lease, if any;

See Lease Agreement between Pyramid Peak Mining, LLC and Summit Gold Corporation, enclosed herewith.

3. apply to the Director for approval of such proposed transfer including the following:
 - (a) the name and address of the current permittee;

Pyramid Peak Mining, LLC
230 S. Rock Blvd., Suite 30
Reno, NV 89502

(b) the name and address of the applicant and the name and street address of the applicant's resident agent; and

Summit Gold Corporation
Summit Gold Corporation
181 Bay Street, Suite 1800
Toronto, ON M5J 2T9

Stuart Butzier
123 East Marcy Street, Ste. 201
Santa Fe, NM 87501

(c) the information required by Section 69-36-7(I)(1)&(2) of the Act; and

(1) Disclosure of ownership and controlling interests:

Galane Gold Ltd. is the parent corporation of Summit Gold Corporation.

(2) A statement of all mining operations within the United States owned, operated or directly controlled by the applicant, owner or operator, and by persons or entities that directly control the applicant and the names and the address of regulatory agencies with jurisdiction over the environmental aspects of those operations and that could provide a compliance history for those operations over the proceeding 10 years:

While neither Summit Gold Corporation nor Galane Gold Ltd. have mining operations within the United States, Galane Gold Ltd. is a TSX Venture Exchange listed gold mining company that has been operating for over ten (10) years. Galane Gold Ltd. is experienced in carrying out mining operations, as exemplified in its operation of the Mupane Gold Mine, where it transitioned a historic open pit mining operation to an underground mine and extended its life by over nine (9) years. In addition, as demonstrated by Galane Gold Ltd.'s operation of the Galaxy Gold Mine, Galane Gold Ltd. has experience taking an asset out of standby status and restoring it to a profitable operation. Galane Gold Ltd. has done all of this by complying with all existing laws and legislation of the countries in which we are operating to international standards.

4. Pay the permit fee pursuant to 19.10.2

The fee in the amount of \$250.00 is appended to this application.
