Hi Rocky,

An extension to March 22, 2021 to commence the slope stability analysis is approved. Please just keep me updated if anything changes.

Thank you,

Jenn Johnson

Jennifer:

Due to New Mexico's Covid-19 travel restrictions in Socorro County, Dicaperl is requesting at least a 2 month extension for commencing the slope stability drilling program in Socorro New Mexico. Please approve an extension until March 22, 2021, to reconsider commencing this project.

Thank you,
Rocky

Rocky Torgrimson
