**RE: Approval of *Supplemental Characterization Work Plan*, United Nuclear Corporation/GE, Section 27 Mine, McKinley County, New Mexico, Permit Tracking No. MK005RE**

Dear Mr. Hauer,

The Mining and Minerals Division (MMD) has received and reviewed the *Supplemental Characterization Work Plan* (Work Plan) dated October 31, 2023 and the associated *Response to Comments on Supplemental Characterization Work Plan*, dated March 14, 2024. MMD hereby approves the Work Plan. Additionally, the New Mexico Environment Dept. has no further comments. Please inform the agencies when work begins on this project as we will be interested in a site visit at that time.

Please contact Clint Chisler from MMD with any questions or concerns at (505) 467-9589 or by email at [clinton.chisler@emnrn.d.nm.gov](mailto:clinton.chisler@emnrn.d.nm.gov).

Sincerely,

Clint Chisler  
Permit Lead
