Lead Inspector: Samantha Rynas, *MMD*

Present During Inspection: Clint Chisler *MMD*; Ron Kellermueller *Game and fish*

Time: On-Site: 1 hr Permit Review: 1 Travel: 8 Report Writing: 1

TOTAL INSPECTION TIME: 12 hours

ACCESS NOTES:

PERMIT STATUS

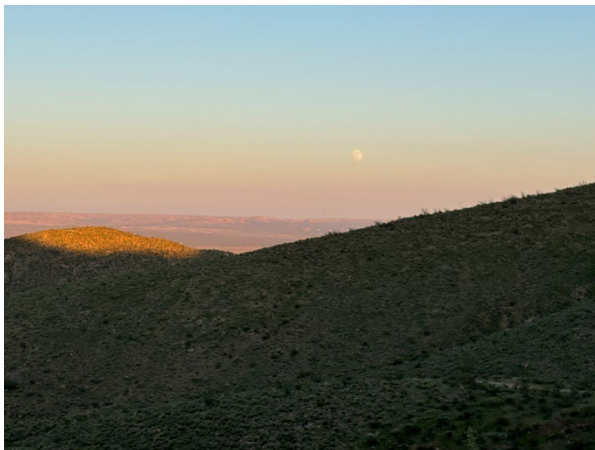

Operator requested release from the act in 2024. MMD request a application fee. Currently MMD has not received the application fee, or the 2024 annual fee.

INSPECTION NARRATIVE AND PHOTOS

Arrived on site about 8:00pm. Site visit is for final release of mine.

Site appeared in the same state as the previous inspection. There were significant plants growing in the recent rains.

The drill cuttings were not as easily observable this time as there was significant vegetation growing next to and on the road.

MINING INSPECTION REPORT

B.O.W. Mine

Permit #: OT002MN

Date of Inspection: August 7, 2025

Above: Agave and Cactus complex, and Clint and Ron walking along the road with significant grasses and wildflowers coming in. Ocotillos in the background.

Above: Clint watching pair of golden eagles known to have a nest in the area.

During our visit we saw a golden eagle pair and some bats.

Area noted in previous Inspection as non-mine related disturbance appeared over grown and not in active use.
