Re: Request for Comments and Offer to Consult on Little Burros Exploration Project, Permit Application, Permit No. GR097EM

Dear Honorable Governor Vicente,

The Mining and Minerals Division (MMD) of the New Mexico Energy, Minerals, and Natural Resources Department (EMNRD) has received an application from Freeport-McMoRan Tyrone Mining, LLC to conduct a minimal impact exploration project under §19.10.3.302 NMAC of the New Mexico Mining Act. The project proposes to drill one borehole and disturb up to two acres of private property owned by FMI within the boundaries of the claim numbers identified in the application for exploration located approximately 10 miles south of Silver City, NM in Grant County, New Mexico.

This notification of the application's status of "Technically Complete" is being submitted to you pursuant to the State Tribal Collaboration Act. MMD is requesting comments from you on any traditional, cultural and or religious properties that you would like MMD to take into consideration and is offering to consult with you on the application.

The application can be viewed in its entirety by visiting the MMD web site at the link below in the Grant Co. section.

<https://www.emnrd.nm.gov/mmd/mining-act-reclamation-program/part-3-minimal-impact-exploration/>

MMD recommends that this letter be forwarded to your tribe's Tribal Historic Preservation Office (THPO) and Environmental Department.

A cultural resource survey is currently being conducted, a copy of which can be requested from the State Historic Preservation Division. Please provide any comments or request a formal consultation within 20 days of the date on this letter. If you wish to consult with us on this application or have any questions, please contact me at (505) 467-9589 or clinton.chisler@emnrd.nm.gov.
