**RE: Request for Comments and Offer to Consult, Laramide Resources (USA), Inc.,
Mine Operations and Reclamation Plan (MORP) for the La Jara Mesa Mine, Permit No.
CI008RN**

Dear Governor Riley,

The New Mexico Mining and Minerals Division (MMD) received a Mine Operations and Reclamation Plan (MORP) submittal from Laramide Resources (USA) Inc. (Laramide) for its proposed La Jara Mesa uranium mine in Cibola County, New Mexico. MMD reviewed the MORP and deemed it Administratively Complete on December 22, 2025.

The La Jara Mesa Mine anticipates disturbing federal and private surface lands within the permit boundaries for development of an underground uranium mine located approximately 10 miles northeast of the community of Grants, in Cibola County, New Mexico. Please see the included map for location of proposed permit area and proposed facilities.

This request for comment on the MORP is being submitted pursuant to 19.10.6.602.D(13) and 19.10.6.605.C NMAC. Part of MMD's review process includes the identification and consideration of impacts to properties listed on, or eligible for listing on, the National Register of Historic Places pursuant to 19.10.6.603.C.3 NMAC. MMD is offering to engage in government-to-government consultation with your Tribe on this proposed project to identify traditional cultural or religious properties that you would like MMD to take into consideration for the permit application process. Additionally, as a cooperating agency to the US Forest Service, MMD is participating concurrently in the Section 106 Tribal Consultation Process.

The MORP can be viewed by visiting the Mining and Minerals Division Website at:
<https://www.emnrd.nm.gov/mmd/ci008rn-la-jara-mesa-mine-project-regular-new-mining-operation/>

Any information you provide us will be kept confidential and will serve as the basis to conduct additional consultations. We would appreciate your response by March 1, 2026. If you have any questions or wish to meet to discuss, please contact me at (505) 216- 8945 or at samantha.rynas@emnrd.nm.gov.

(Laramide) for its proposed La Jara Mesa uranium mine in Cibola County, New Mexico. MMD reviewed the MORP and deemed it Administratively Complete on December 22, 2025.

The La Jara Mesa Mine anticipates disturbing federal and private surface lands within the permit boundaries for development of an underground uranium mine located approximately 10 miles northeast of the community of Grants, in Cibola County, New Mexico. Please see the included map for location of proposed permit area and proposed facilities.

This request for comment on the MORP is being submitted pursuant to 19.10.6.602.D(13) and 19.10.6.605.C NMAC. Part of MMD's review process includes the identification and consideration of impacts to properties listed on, or eligible for listing on, the National Register of Historic Places pursuant to 19.10.6.603.C.3 NMAC. MMD is offering to engage in government-to-government consultation with your Tribe on this proposed project to identify traditional cultural or religious properties that you would like MMD to take into consideration for the permit application process. Additionally, as a cooperating agency to the US Forest Service, MMD is participating concurrently in the Section 106 Tribal Consultation Process.

The MORP can be viewed by visiting the Mining and Minerals Division Website at:
<https://www.emnrd.nm.gov/mmd/ci008rn-la-jara-mesa-mine-project-regular-new-mining-operation/>

Any information you provide us will be kept confidential and will serve as the basis to conduct additional consultations. We would appreciate your response by March 1, 2026. If you have any questions or wish to meet to discuss, please contact me at (505) 216- 8945 or at samantha.rynas@emnrd.nm.gov.
