Renewal Notification for Permit HI022EM-American Copper NMX, Inc.

Dear Kevin,

This letter is formal notification that we intend to extend our permit HI022EM for this year beyond the one-year anniversary date of March 21, 2026. We do not intend any modification of borehole access or borehole sites.

I have enclosed a check for the required fee of $500. Thank you for your consideration in this matter.

Regards,

Mark Osterberg

Project Manager
American Copper NMX, Inc
