

BEFORE THE NEW MEXICO MINING COMMISSION

In re the Appeal of

Nº 94-01

GENERAL PUMICE CORP. from the
Minerals and Mining Division's
October 23, 1994 Order Regarding
the Cullum and Rocky Mountain Mines

ORDER

Upon review of the file, there appears to have been no activity on this matter for a substantial period of time. Accordingly, the Commission hereby **ORDERS** sua sponte that this action be dismissed unless the petitioning party submits to the Commission, within thirty days of this Order, sufficient reasons why the matter should remain on the Commission's docket. If the petitioning party does not respond to this Order within the time provided, the next entry into the case will be a final order of dismissal without prejudice.
