Jeff,

Here is the information we obtained from our corporate team who tracks RACK Pricing:

Dyed: \$2.05  
 Clear: \$2.52  
 Unleaded: \$2.22  
 Delivery: \$0.05/Gal.

Sean

Request for diversion ditch calculation sent to M3.

Reminder to send over the fuel pricing. IMC obtained quote for \$2.17 off road; want to factor in your data points & set common price for all groups working on the current study. Thanks.

Regards,  
 Jeff
