RE: Request for Consultation, Permit Modification 22-1 Application, Rammsco Eagle Mesa Mine, Permit No. SA009MN

Dear Governor Quintana:

The New Mexico Mining and Minerals Division (“MMD”) received a permit modification application submittal from Rammsco Operations Inc., dated November 3, 2022 (“Application”) requesting renewal of Permit No. SA009MN for the Eagle Mesa Mine, located in Sandoval County, New Mexico. MMD is processing the Application under Modification 22-1. This notification of permit Application is being submitted to you pursuant to 19.10.6.608.D.(3) NMAC.

MMD would like to consult with you on the Application and to identify traditional, cultural, and/or religious properties that you would like MMD to take into consideration before making a final determination on the requests within the Application. This information is important for us to evaluate potential impacts and work toward developing avoidance or protection options. We have enclosed a map of the area for your reference. Any information you provide MMD will be kept confidential and will serve as the basis to conduct additional consultations. In the event you are not comfortable with providing MMD with this information by letter, please let us know how you would like to proceed with these discussions. We would appreciate your response within 30 days of receipt of this letter.

The Application can be viewed by visiting the MMD website at:

RE: Request for Consultation, Permit Modification 22-1 Application, Rammsco Eagle Mesa Mine, Permit No. SA009MN

Dear Governor Chavarria:

The New Mexico Mining and Minerals Division (“MMD”) received a permit modification application submittal from Rammsco Operations Inc., dated November 3, 2022 (“Application”) requesting renewal of Permit No. SA009MN for the Eagle Mesa Mine, located in Sandoval County, New Mexico. MMD is processing the Application under Modification 22-1. This notification of permit Application is being submitted to you pursuant to 19.10.6.608.D.(3) NMAC.

MMD would like to consult with you on the Application and to identify traditional, cultural, and/or religious properties that you would like MMD to take into consideration before making a final determination on the requests within the Application. This information is important for us to evaluate potential impacts and work toward developing avoidance or protection options. We have enclosed a map of the area for your reference. Any information you provide MMD will be kept confidential and will serve as the basis to conduct additional consultations. In the event you are not comfortable with providing MMD with this information by letter, please let us know how you would like to proceed with these discussions. We would appreciate your response within 30 days of receipt of this letter.

The Application can be viewed by visiting the MMD website at:
