Peabody Natural Resources Company, El Segundo Mine, Permit 2020-01 – Permit Renewal

Dear Mr. Munroe:

The current 5-year term of the Peabody Natural Resources Company (PNRC) El Segundo Mine Permit 2020-01 has an expiration date of September 15, 2025. Enclosed please find the application for renewal of permit 2020-01. PNRC requests that the permit be renewed for a five-year term beginning September 15, 2025, and ending September 15, 2030. It is PNRC's understanding that the renewed permit will be designated Permit 2025-01.

The application package contains all information required by 19.8.13.1303 NMAC as listed in the enclosed Table of Contents. PNRC will provide additional information as requested by the New Mexico Energy, Minerals and Natural Resources Department Mining and Minerals Division (MMD) during their technical review. No new permit area is proposed beyond that which is currently approved. There are no proposed revisions to the approved mining and reclamation plan.

As required by 19.8.11.1100 NMAC, once MMD has completed their initial review and deemed the application to be administratively complete, PNRC will commence the public notice process and make a copy of the application available for public inspection.

If you have any questions concerning the enclosed material, you can contact me at (505) 285-3076.

Respectfully,

Chad Gaines

Re: Surety Bond

Dear Mr. Munroe

Please be advised that as of July 1, 2024, Applied Surety Underwriters/Sirius Point America Insurance Company has assumed the surety liability previously held by Argonaut Insurance Company. Enclosed, please find a Bond Rider reflecting the change in the surety writing company and an updated bond number. Specifically, the bond number has been changed from SUR0024105 to SPA150171_009.

Additionally, please note that the bond amount has been adjusted from Forty-Six Million Seven Hundred Twenty-Three Thousand Seven Hundred Thirty and 00/100 dollars (\$46,723,730.00) to Forty-Six Million Three Hundred Seventy-Eight Thousand Eight Hundred Thirty and 00/100 dollars (\$46,378,830.00). Furthermore, this Director's Order for the Phase I bond release authorizes a reduction of the current El Segundo Coal Mine surety bond by \$344,900.00.

If you have any questions or require further clarification regarding these changes, please feel free to contact me.

Thank you for your prompt attention to this matter.

Sincerely,

Chad Gaines
