RE: Midnight Mine (Permit No. S1007ME), Permit Transfer

Dear Mr. Martinez,

I, Larry Harris, have sold my rights and interests in the Midnight Mine property, consisting of four (4) patented mining claims to:

Koleen Quattlebaum
3901 Square Dance Rd.
El Paso, TX 79938

Cell phone # (915) 356-0885

Although, the new owner indicates she is purchasing the property for recreational purposes, she wishes to maintain the current minimal impact mining permit and assume the obligations thereunder. I have provided Ms. Quattlebaum with same documents that I received from St. Cloud Mining Company in 2002. No production from the mine has occurred since 2002.

Enclosed is check number 313 in the amount of \$250.00 for the permit transfer, check number 314 in the amount of \$250.00 for the annual fee and the annual report.

Thank you for your assistance and if you have any questions or need further information, please do not hesitate to contact either Ms. Quattlebaum or myself at the above referenced addresses and phone numbers.

Sincerely,

Larry Harris
