Dear Mr. Ohori:

Re: Freeport-McMoRan Tyrone Inc., Tyrone Closure/Closeout Plan Update

Freeport-McMoRan Tyrone Inc. (Tyrone) provided a Closure/Closeout Plan (CCP) update for the Tyrone Mine facility to the Mining and Minerals Division (MMD) and to the New Mexico Environment Department (NMED) on July 16, 2013.

In accordance with 19.10.12.1210 A (3), 19.10.903 NMAC, attached is proof of public notice package for the CCP update. The package includes the list of individuals and government agencies (landowners of record within half a mile of the property, state and federal agencies, local municipalities and interested parties) that Tyrone provided the public notice to via certified mail. An affidavit documenting that the public notice for this application was published in the Silver City Daily Press in English and Spanish and a list of public areas with photographs showing where the notice was posted.

Sincerely,

Thomas L. Shelley, Manager
Reclamation

Location of real property affected: The Tyrone Mine is located in Grant County on the southwest of the town of Silver City, New Mexico. Described using the Public Lands Survey System, the Tyrone Mine is located in all or portions of the following land subdivisions: Sections 17, 18, 19, 20, 21, 28, 29 and 30 of Township 18 South, Range 15 West; Sections 1, 4, 5, 8, 9, 10, 11, 13, 14, 15, 16, 17, 21, 22, 23, 24, 25, 26, 27 and 28 of Township 19 South, Range 15 West; Sections 19, 20, 29 and 30 of Township 19 South, Range 14 West. All of these subdivisions are referenced to the New Mexico Principal Meridian.

General description of the Tyrone operation

Tyrone is an active mine producing copper in the form of cathodes. The Permittee is authorized to conduct mining and reclamation operations on those lands specifically designated and authorized as the permit area. The copper mine activity results in construction of an open pit(s) with associated stockpiles and ancillary facilities. The proposed closure plan includes a description of how the permit area will be reclaimed to meet the requirements of Section 69-36-11(B) of the Act and the performance and reclamation standards and requirements of 19.10.5 NMAC.

This 2013 closure plan update to the 2009 application for a revision to the permit is available for public comments, objections and a public request for hearing as provided below.

Public Notice - Closure Plan Revision Page 2 of 2

Permittee and mailing address: Fremont-McMullan Tyrone Inc., E1 WD, P.O. Box 571, Tyrone, New Mexico 87065.

Director's name and address to submit written comments, objections or requests for public hearing: Written comments, objections or requests for a public hearing regarding this application for permit renewal shall be submitted to:

Mr. Fernando Martinez, Director, Mining and Minerals Division, 1220 South St. Francis Drive, Santa Fe, New Mexico 87505.

A person with an interest in this action may submit a written objection to the revision with the Director and may request a public hearing. If a public hearing is held, a separate notice will be provided in accordance with 19.10.9 NMAC. Written comments must be received by the Director prior to the close of the hearing record following any public hearing that is held. If no public hearing is held, written comments will be considered only if they are received by the Director within 60 days after the date of publication of this notice in a local newspaper or within 60 days after the person filing the comments received notice of the application, whichever is later.

Procedure and deadline for requesting a hearing: Any interested person may request that the Director conduct a hearing on the application. A request for public hearing must be made within 30 days of the date of newspaper publications of the notice of the application unless the Director determines that a longer period in which to make a request is appropriate and such period is specified in the public notice. If a hearing is timely requested, the Director shall set a hearing unless the request is clearly frivolous. The Director may hold a public hearing absent any request.

Descripción general de la operación de Tyrone

Tyrone es una mina activa que produce cobre en forma de cátodos. El tenedor del permiso se encuentra autorizado para realizar operaciones de minería y recuperación sobre esas tierras designadas y autorizadas específicamente como el área permitida. La actividad de la mina de cobre tiene como resultado la construcción de un/os pozo/s abierto/s con reservas asociadas e instalaciones auxiliares. El plan de disposición propuesto incluye una descripción de cómo el área permitida será recuperada para cumplir con los requisitos de la sección 69-36-11B(3) de la Ley y con los estándares y requisitos de desempeño y recuperación establecidos en la sección 19.10.5 de la NMAC.

Este plan de disposición 2013, que funciona como actualización de la solicitud original de revisión del permiso presentada en 2009, se encuentra disponible para comentarios públicos, objeciones y una solicitud pública de audiencia, tal como se detalla más abajo.

Titular del permiso y dirección postal: Freeport McMoRan Tyrone Inc., ELWD, P.O. Box 571, Tyrone, New Mexico 88065.

Nombre del Director y dirección a la cual enviar comentarios por escrito, objeciones o solicitudes de audiencia pública: Los comentarios por escrito, las objeciones o los pedidos de audiencia pública respecto de esta solicitud de renovación del permiso deberán enviarse a la siguiente dirección:

Mr. Fernando Martinez, Director, Mining and Minerals Division, 1220 South St. Francis Drive, Santa Fe, New Mexico 87505

La persona que posea interés en esta acción podrá presentar por escrito una objeción a la revisión ante el Director y podrá solicitar una audiencia pública. Si esta se realiza, se cursará una notificación por separado de conformidad con la sección 19.10.9.904 de la NMAC. El Director deberá recibir los comentarios por escrito antes del cierre del documento oficial que debe confeccionarse tras la realización de toda audiencia pública. Si no se lleva a cabo ninguna audiencia pública, se considerarán únicamente los comentarios recibidos por el Director dentro de los 60 días posteriores a la fecha de publicación de este aviso en un diario local o dentro de los 60 días posteriores a la fecha en que la persona que envía los comentarios haya sido notificada acerca de esta notificación, lo que ocurra en último lugar.

Procedimiento y plazo para solicitar una audiencia: Cualquier persona interesada puede pedir que el Director realice una audiencia para tratar la solicitud. Se debe enviar un pedido de audiencia pública dentro de los 30 días desde la fecha de publicación de la solicitud en el diario a menos que el Director establezca un plazo más prolongado para efectuar pedidos. Esto además deberá constar en el aviso público. Si se solicita una audiencia de manera oportuna, el Director deberá fijarla a menos que los fundamentos sean claramente frívolos. El Director puede llevar a cabo una audiencia aunque no se haya realizado ningún pedido.

Location of real property affected: The Tyrone Mine is located in Grant County ten miles southwest of the town of Silver City, New Mexico. Described using the Public Lands Survey System, the Tyrone Mine is located in all or portions of the following land subdivisions: Sections 17, 18, 19, 20, 21, 28, 29 and 30 of Township 18 South, Range 15 West; Sections 3, 4, 5, 8, 9, 10, 11, 13, 14, 15, 16, 17, 21, 22, 23, 24, 25, 26, 27 and 28 of Township 19 South, Range 15 West; Sections 19, 20, 29 and 30 of Township 19 South, Range 14 West all of these subdivisions are referenced to the New Mexico Principal Meridian.

General description of the Tyrone operation

Tyrone is an active mine producing copper in the form of cathodes. The Permittee is authorized to conduct mining and reclamation operations on those lands specifically designated and authorized as the permit area. The copper mine activity results in construction of an open pit(s) with associated stockpiles and ancillary facilities. The proposed closeout plan includes a description of how the permit area will be reclaimed to meet the requirements of Section 69-36-11B(3) of the Act and the performance and reclamation standards and requirements of 19.10.5 NMAC.

This 2013 closeout plan update to the 2009 application for a revision to the permit is available for public comments, objections and a public request for hearing as provided below.

Permittee and mailing address: Freeport McMoRan Tyrone Inc., ELWD, P.O. Box 571, Tyrone, New Mexico 88065.

Director's name and address to submit written comments, objections or requests for public hearings: Written comments, objections or requests for a public hearing regarding this application for permit renewal shall be submitted to:

Mr. Fernando Martinez, Director, Mining and Minerals Division,
1220 South St. Francis Drive, Santa Fe, New Mexico 87505.

A person with an interest in this action may submit a written objection to the revision with the Director and may request a public hearing. If a public hearing is held, a separate notice will be provided in accordance with 19.10.9.904 NMAC. Written comments must be received by the Director prior to the close of the hearing record following any public hearing that is held. If no public hearing is held, written comments will be considered only if they are received by the Director within 60 days after the date of publication of this notice in a local newspaper or within 60 days after the person filing the comments received notice of the application, whichever is later.

Procedure and deadline for requesting a hearing: Any interested person may request that the Director conduct a hearing on the application. A request for public hearing must be made within 30 days of the date of newspaper publication of the notice of the application unless the Director determines that a longer period in which to make a request is appropriate and such period is specified in the public notice. If a hearing is timely requested, the Director shall set a hearing unless the request is clearly frivolous. The Director may hold a public hearing absent any request.
