Santa Fe, NM 87505

Dear Kevin,

We would like to modify our permit to have the 77.267-acre reclaimed tailings area released from our permit. This will be a partial FA release of the Deming Mill Tailings but will not release any FA instrument or change the amount of FA.

Enclosed is a check for \$1,000.00 for Modification 22-1 of LU009RE.

I appreciate your help.

Best Regards,
