Dear Mr. Angell,

The New Mexico Oil Conservation Division (OCD) is in receipt of Llano Disposal, LLC's (Llano) new application dated June 14, 2022 for the Siringo ACS State Well No. 1 Brine Well at the above referenced location. After review of the application, the OCD has determined Llano's application is **"administratively complete"** in accordance with the New Mexico Water Quality Control Commission Regulations (20.6.2.3108 NMAC).

Llano's obligations to provide public notice should commence and be demonstrated to the OCD in a timely manner. The OCD will also provide notice to various governmental groups. Depending upon the level of public interest, a hearing may be scheduled on this matter. OCD will continue its review of the application and may request additional technical information.

If you have any questions, please do not hesitate to contact me by phone at (505) 660-7923, U.S. Mail at the address below, or e-mail at CarlJ.Chavez@state.nm.us. On behalf of the OCD, I wish to thank you and your staff for your continued cooperation in this process.

Sincerely,

Carl J. Chavez
