4. ***Case No. 21834: Application of Wildearth Guardians and the New Mexico Oil Conservation Division to Amend Rules 19.15.29.6, 19.15.29.8, and 19.15.29.15 NMAC.*** Pursuant to 19.15.3.8(A) NMAC, Petitioners WildEarth Guardians (“Guardians”) and New Mexico Energy, Minerals and Natural Resources Department, Oil Conservation Division (“Division”) hereby apply to the New Mexico Oil Conservation Commission (“Commission”) to amend 19.15.29.6, 19.15.29.8, and 19.15.29.15 NMAC. Currently, the Commission’s rules do not prohibit unauthorized releases of oil, gases, produced water, oil field waste, and other contaminants that occur during oil and gas development and production. The proposed rule would fill that regulatory gap by prohibiting major and minor releases as those terms are defined in the Commission’s rules.
Upon application of WildEarth Guardians and the New Mexico Oil Conservation Division, the Oil Conservation Commission will review the request to grant a hearing on the rulemaking.
