NOTICE
UPDATE TO OPERATOR MONTHLY
PRODUCTION REPORTING
(C115) INSTRUCTIONS

The Oil Conservation Division (OCD) announces an updated C-115 Instructions to replace the current C-115 Instructions-2019 currently available through the OCD Permitting website, <https://www.emnrd.nm.gov/oed/oed-e-permitting/>

Below are the revisions made for the current C-115 Instructions:

1. Revised website links throughout the C-115 Instructions to access OCD Permitting.
2. Revisions to the Summary.
3. Revisions to the Table of Contents.
4. How to obtain an OCD permitting user ID, and who may authorize an operator administrator user (Op Admin) for OCD permitting.
5. Provides an example of a complete, correct data entry C-115 in Excel spreadsheet format.
6. Simplifies the definitions of Operator's Monthly C-115 columns.
7. Replaces the written request on the Operator Administrator registration form.
8. The removal of Gas lift (G) code in column #22 of the C-115 excel worksheet.
9. Additional information regarding C-115B – Gas Lift volumes.
