ORDER TO RESCIND

SMOKING, FIREWORK, CAMPFIRE AND OPEN FIRE RESTRICTIONS FOR NEW MEXICO

Because recent precipitation has reduced fire danger in New Mexico, the Energy, Minerals and Natural Resources Department (EMRD) Forestry Division hereby rescinds the fire restrictions that were imposed on April 22, 2022, for all non-municipal, non-federal, and non-tribal lands in New Mexico. This order becomes effective at 12:01 p.m., Monday, August 1, 2022.

The EMNRD Forestry Division may reinstate fire restrictions if climatic conditions, drought, fire danger or other factors present a fire threat to forests, rangelands, watersheds, personal property or public safety. The public is urged to use fire cautiously and safely.

DONE THIS 1st DAY OF AUGUST, 2022

A handwritten signature in blue ink, appearing to read "Laura F. McCarthy", is written over a horizontal line.

Laura McCarthy, State Forester
EMNRD Forestry Division

A handwritten signature in black ink, appearing to read "Sarah Cottrell Propst", is written over a horizontal line.

Sarah Cottrell Propst, Cabinet Secretary
