Update on Oil Conservation Commission natural gas waste reduction rules hearing

Santa Fe, NM – On March 25, 2021, the Oil Conservation Commission (OCC) will hold a meeting to cast the final vote on the Energy, Minerals and Natural Resources Department’s proposed rules on reducing natural gas waste. The final order has been compiled and is now available for review [here](#).

The public can access the meeting and watch the vote live via WebEx, details on joining and the agenda can be found [here](#).

All deliberations and hearing videos can be found on the [EMNRD OCC YouTube channel](#).

###

The Energy, Minerals and Natural Resources Department provides resource protection and renewable energy resource development services to the public and other state agencies.
