## **EMNRD to participate in state government rapid hire event**

**Santa Fe, NM** – The Energy, Minerals and Natural Resources Department (EMNRD) aims to fill 30 positions across the agency at an upcoming rapid hire event. Made up of 5 public facing divisions and Program Support, EMNRD’s goal is to become the national model for an energy and natural resource agency with deep policy expertise, transparent processes, and a cohesive mission that balances conservation, development, and responsible use. Interested and qualified candidates should bring multiple copies of their resumes and be prepared to interview on the spot.

The event will be held on Friday, January 21, 2022, at the Willie Ortiz Building in Santa Fe from 2 – 6 pm. Positions are available in all EMNRD divisions including: 2 in Energy Conservation and Management, 13 statewide in Forestry (including 8 fire positions), 13 statewide in Oil Conservation, and 4 statewide in State Parks. Two legal positions (oil and gas and mining) will also be available. Not all of the positions are in Santa Fe, opportunities are available around the state.

State government offers benefits that include robust insurance packages, parental leave, telework schedules, retirement plans, and more.

Interview and hiring panels will be on site. Immediate offers will be made to qualified candidates.

Virtual interviews will be possible from the Department of Workforce Solutions Albuquerque office located at 501 Mountain Road NE. You must schedule an appointment to conduct a remote interview. For more information and/or to request accommodations, contact the New Mexico Workforce Connection at 505-355-1758.
