Minimum order for bare root trees is **50**. You can split the order in bundles of 25 of a single species. Please indicate in the *alternate* column a **2nd choice**, **3rd choice**, etc. in the event we are sold out of your 1st choice. **Alternates** must be of the same pack type.

Minimum order for containerized seedlings in 10 cubic inch tubes is **49**. Order Multiples of 49 of a single species or package type (i.e., \$90/49 trees, \$180/98, \$270/147, \$360/196, etc.).

Minimum order for containerized seedlings in 16-20 cubic inch tubes is **20**. Order Multiples of 20 of a single species (i.e., \$57/20 trees, \$114/40, \$171/60, \$228/80, etc.).

There is a \$5.00 handling fee per order. In addition, if you choose to have your order shipped there is an additional \$20.00 per lot shipping fee for each lot ordered (i.e. \$20.00/49 or 20 seedlings/\$40.00/98 or 40 seedlings, etc.) due to our UPS costs doubling in the past year.

PAYMENT MUST ACCOMPANY YOUR ORDER. Make checks payable to NM FORESTRY DIVISION. PURCHASE orders are accepted from schools and local, state, and federal government agencies. **NO COD ORDERS ACCEPTED.**

All sales are final. Because it is impossible for us to monitor planting techniques and seedling care, the Forestry Division makes **no guarantee of survival** after shipment or delivery is made.

Your order will be shipped on one of those days. **You should receive your order by Thursday of your chosen week.** **MAKE SURE THE WEEK YOU WANT YOUR ORDER SHIPPED IS WRITTEN ON THE ORDER FORM UNDER UPS SHIPPING WEEK ON OF THE ORDER FORM. THE deadline for purchasing for UPS shipments is April 25, 2025. UPS is independent of NM Forestry Division therefore we cannot guarantee condition of plants upon arrival.**
