Subject: [EXTERNAL] Endangered Plant Law
Date: Monday, November 8, 2021 3:35:20 PM

CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

I am a nurse of 57 years, a mother, grandmother, and great grandmother. I am an active Sierra Club member and certified clinical herbalist., I support the rule change to the NM Endangered Plant law. The law will be strengthened and give native and endangered species the protection they deserve and which animals already mostly have. We need biodiversity. Collect seeds from the wild and scatter them.

Thank you,
Jessie Emerson
