# **SELF-GUIDED FIELD TRIP TO THE PARK** – information

When your self-guided trip is confirmed, we will send you the following: a map/brochure of the Park, a parent information message in English and in Spanish, and tips for a safe and enjoyable visit to the Park. Some basic information you might find helpful is included here.

### Day-use Fee

The Park day-use fee is an entrance fee, NOT a parking fee and it applies to <u>all groups</u> visiting the Park (even if the bus does not park in the lot). The Rio Grande Nature Center State Park is an enterprise agency, and 70% of its operating budget is earned through entrance fees. Thank you for supporting the Park!

Day-use fees are as follows:

- Private vehicle (7 or fewer seats) = \$3 cash (exact) or check at the self-pay station. If a current NM State Parks annual permit or Friends of the Rio Grande Nature Center permit is displayed on the dash, there is no additional fee. This one-day permit may be purchased online in advance at: <a href="https://newmexicostateparks.reserveamerica.com/unifSearch.do">https://newmexicostateparks.reserveamerica.com/unifSearch.do</a>
- School bus/van (8+ seats) = \$15 cash (exact) or check. Please pay a Park staff member directly at the Visitor Center.
- Private tour bus = \$50 cash (exact) or check. Please pay a Park staff member directly at the Visitor Center.

### **Facilities**

Bathrooms and water are available at the Visitor Center between 10AM and 4PM. Please, no more than one class at a time in the Visitor Center. Face masks are recommended indoors. Picnic tables at the group shelter are available on a first-come basis.

### Resources

Know before you go! The NM State Parks website, <a href="www.emnrd.nm.gov">www.emnrd.nm.gov</a> includes hours, location, restrictions/closures, maps and info about amenities and events for each park. There is also information about day-use and camping fees, reservations, and annual permits. Click the "Find a Park" tab and select Rio Grande Nature Center to see information about RGNCSP.

The Friends of Rio Grande Nature Center (FRGNC), is a 501c3 organization devoted to helping the Park with its mission, "To preserve and protect the Rio Grande Bosque, educate the public about the Rio Grande ecosystems, and to foster positive human interactions with those systems." One way in which the FRGNC helps the Park is through its financial support of the Park's education programming. To learn more about events, memberships, donations, and volunteering, please visit <a href="https://www.rgnc.org">www.rgnc.org</a>

The Bosque Education Guide (a K-12 interdisciplinary curriculum about the Middle Rio Grande Bosque Ecosystem) is available, in part, at the following website <a href="http://www.nmnaturalhistory.org/educational-resources/sections/bosque-education-guide">http://www.nmnaturalhistory.org/educational-resources/sections/bosque-education-guide</a>. There you will find both classroom and field activities which you may find useful. Some materials are available in Spanish as well as in English. For a self-guided visit, check out Chapter 3: *Going Out – Field Activities*. Teacher training workshops for the Guide happen several times per year. Contact us for more information.
