As someone who enjoys camping at State Parks I really feel that the Annual Camping Pass needs to stay in place. I believe an increase in the fee would be more than accepted among the seniors of the State. I would recommend an increase from the current \$100 to \$150 - \$200 and increase the non-resident from the current to the same \$50 to \$ 100 increase. Also, on developed sites I would recommend setting a price that includes all hookups whether they are used or not and this fee would also cover the cost for the dump station as not all developed sites have sewer hookup. Thanks!
