It was already bad enough that you expected paddlecraft with little accessory sails to be registered as motorboats, now you want all paddlers to pay \$5 a day to access a nasty- [REDACTED] disgusting lake like Elephant Butte with who knows how many murdered women's remains on the bottom? [REDACTED], your proposed fee changes/elimination of the annual camping permit has made me research NV and I like very much what I see. [REDACTED], Lake Tahoe isn't as clear as it once was, but it's nothing like the sewer water in NM reservoirs. I won't renew my NM vehicle registration this year- I'm happy to become an NV resident. Longtime New Mexicans are some of the worst, most stupid people in the nation anyway. Happy to have this [REDACTED] state in my rear view mirrors soon. Thank you.
