I appreciate the opportunity provided for residence to add input on line. Personally I use the day use and overnight camping very often (20times per year) and I don't have a problem with the 5 dollar day use and I believe it is a good way of accounting for who was in the park in the event of a problem in the park such as assault, fire, or any other unfortunate event. I would like to see a discount for seniors starting at age 55 (I'm 60). Retired folks are often good volunteers and should be given incentives to get out, get healthy and get involved. At the very least people that perform a certain number of volunteer hours within a park should be given vouchers for free night stays or parking fees. Thank you
