I agree NM camping fees are too low. Here are some of my recommendations after 40+ years of state park use.

1. Get rid of out of state annual camping permits. Perhaps create a 6 month pass from 1 Nov to 30 Apr for the snow birders when NM campers use the parks the least. Besides cutting time in half, double or triple the current pass cost.
2. Keep in-state senior annual camping permits, but double the cost.
3. Obviously, daily camping fees need significant updating.

When will they stop issuing Senior passes? I would like to buy another one before that time.

Thanks,
