Hello

Thanks for your email re Fees Study.

AS regular visitors from Scotland, we have made frequent use of NM State Parks RV campgrounds. Overall we have been very happy indeed with most parks we have stayed at and have found them to be good value. What I have not been happy about is the reservation booking fees. \$4 per booking, irrespective of number of nights would be acceptable, but \$4 per night is a complete rip off! If we reserve for two weeks, it is the one transaction, so to be charged \$56 just to make the booking is outrageous!

I wish you well with your study and look forward to hopefully visiting with you again in the near future.

Kind regards

Bill Griffin
