I would like to offer some input regarding the proposed state park fee changes.

My wife and I are both retired. We live primarily on social security and since our income is limited the proposed fee changes would have a large impact on us.

We purchase an annual camping pass and going camping is our source of entertainment in the summer. We enjoy visiting the beautiful NM state parks and with the proposed fee increases it would cost us a considerable amount to camp each night in the campgrounds.

Please consider an alternative at least for senior citizens so that we may continue to go camping for an affordable amount.

Thank You.
