Public Fee Study

I understand the need to go up on fees, But I don't understand the need to double up on prices. ~~Don't~~ Do up on boat and trailer registration, don't charge a boat launch fee, keep the day use fees for NM residents, camping ~~fee~~ fees 28.⁰⁰ for ~~non~~ non residents, & residents 21.⁰⁰ a night for electric sites, Give the seniors a break, they are on a fixed income, and this is their only way to afford to get away from everyday ~~the~~ Nurse & Busse of life, and meet new people and stay active. As a senior on a fixed income we won't be able to go camping in the state parks anymore

Thank You

Brenda D. Jones
