Your gonna make it where people can not enjoy our state parks. You should leave them as they are. I know i wont be camping much this year if you raise the fees. Unless you have a program to help people pay these new fees.

I live in Elephant Butte and when you put electrical parking in the internet, the only way to pay. They said they were always full yet i drive threw there and 3/4 of them were empty, yet i couldnt rent one. So with your new fees not only are you gonna ruin peoples summer, your gonna hurt the economy with no one come here.

Thanks for nothing
