Keep day use fee at \$5 for residents
\$10 fee for nonresidents
= + \$1,437,500

Keep primitive and developed camping separate. Keep resident fees for these the same.
Nonresidents: Primitive \$15
Developed \$30

I agree with utilities

Keep dump fee free or you will have people digging a hole and dumping wherever.

Raise annual day use to \$80
Keep annual camping pass the same.
= +\$1,047,800
Charge nonresidents more

I agree with living desert

Raise registration fees no more than \$10. The most ridiculous is the launch fee. KEEP IT FREE.
