Hi,

We have been coming annually from Texas (1000+ miles) to Fenton Lake since 1969. We spend 2-4 weeks in NM and a LOT of money.

We find your proposed rules severely misguided and predatory towards non-residents.

Stupid things like paddle boat fees when NO motorboats are allowed, tying elect to sewage when sewage is not available, etc seem to be against the Clayton/ Sherman antitrust laws.

Dropping annual use fee altogether makes it not acceptable for a double 2 wk stay (since you make us leave between stays). We usually leave and go to Colorado, now, we'll just go straight there and skip NM altogether!
