I cant believe nm parks is even considering this.The residents of Truth or Consequences , Elephant butte and Sierra county are the people who help clean this lake when asked by the park for volunteers we are the ones who donate to all the projects at the park..( christamas.4th of July fireworks. that lake is operated because of the use by locals. I am a member of Moose lodge, VFW, American legion. these place donate to the park believe me If this passes i will rally to stop all donations to the park by the public and all donors. I also pay my yearly park fee as a disabled veteran.it expires the end of July 2024. It would be in the best interest for emnrd to honor this transaction...Sgt. David Miller retired military.
