Please don't eliminate the handicap annual pass. I'm disabled and love to camp and fish. I am mentally and physically handicapped and camping and fishing is my only outdoor activity. Raising prices will eliminate my opportunity to enjoy what I love. Please keep or enhance the disabled season pass. I camp in a tent but require electric hookups. Please keep us handicapped in mind.

I grew up in Eagle Nest and now live in Los Lunas. I'm a historian and camping provides me with the opportunity to explore the rich history of our great state. Posting my adventures on social media is gathering a following that I hope to continue.

Thank you for your time and service to the state.
