Subject: [EXTERNAL] New Scheduled fees proposal

I just read your proposed schedule for fee changes for the New Mexico State Parks. I am absolutely appalled you would treat people like me this way and cater to tourists. I am a 100% disabled US Marine and I take advantage of the annual camping pass every year. It is one of the main reasons I picked New Mexico to settle in when I retired. I hope you come up with something for those of us that sacrificed our health, body, soul, and mind to support this great country and our beautiful state.

I believe that a review of the software system to discourage multiple back-to-back reservations and actual enforcement of rules at the campground could take care of this issue that it would not impact us disabled individuals of the state. I have never, repeat Never, been asked to see my annual camping pass or my disabled pass. Ever!!!

I hope the state can come to some sort of resolution as I will be canceling and not camping anymore in the New Mexico state park systems if this is going to be the fee schedule because I cannot afford that on my disabled income.

Sincerely,

Edward John Anderson
SSGT USMC/DISABLED
