Good afternoon Eric,

Thank you for your question regarding boat launch fees. Our current proposal is to add a \$5.00 daily launch fee for non-motorized paddle craft. Motorized vessels and sail boats are registered vessels and would not be included in this launch fee. There is a proposal in our recommendations to increase the registration fees for vessels.

All of the information pertaining to our fee study and recommendations can be found on our website at www.emnrd.nm.gov/spd/public-meetings/. There is also a schedule of public informational meetings we will be holding around the state with one being held virtually on March 1st. I would encourage you to attend one of these meetings to learn more about our proposals.

If you have further questions, please don't hesitate to reach out to me.

Thank you,

Jared Langenegger, Field Operations Bureau Chief
NM State Parks Division

Subject: Fees Study: - Boat Launch Fee

Good afternoon,

We received the following question on Facebook:

I've heard that as part of the fee structure for State Parks, there will be a \$80.00 boat launch fee. However, I haven't found that in the proposed fee schedule. I'm the vice-commodore for the NM Sailing Club based at Heron and our members have been asking. Thank you very much.

This question came from Eric E Griego
