As a local home owner, although an out of state family, we are now going to have to not only get a yearly fishing license but will now also have to pay a day fee to fish in our back yard? Not fair at all! We have gladly paid the state park yearly fee although we don't hike much any more. And we can see that an increase in the fee per year is needed, but a day fee? You will kill your tourist business which IS the business for northern New Mexico! Kill the fishing trips, kill the hiking, kill the camping trips, kill the hunting trips. This is bad business! Kathy and Gene Meier of Eagle Nest, NM, and Weatherford, OK.
