Subject: Comments for Fee Study
Date: Saturday, March 9, 2024 8:24:38 AM

This Email is from Mr. Gilbert Baca.

1. First thing is annual passes. They should keep them for seniors and disabled New Mexico Residents due to fixed incomes. Price suggestion to raise the price from \$100.00 to \$150.00 and pay half price for regular camping.
2. Keep Day use Fees. Maybe raise them to \$10.00.
3. Combine water and dump station fees to \$10.00 per stay.
4. Dump Station for non-campers charge \$15.00.
5. Maybe keep day use fees because increase in work load for employees.
6. Free day use will cause reckless behavior to park staff and campers. Free day users will use water and facilities without having to pay and campers have to pay \$10.00 just for water usage.
