CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

I strongly disagree with the proposal to eliminate annual camping passes for New Mexico State parks.

As an out-of-state visitor, I enjoy spending my summers camping at various New Mexico State parks. However, without the seasonal camping pass, it will no longer be affordable for me. Hence, I will no longer be able to camp at New Mexico State Parks.

I understand the cost of maintaining the parks is continually rising. However, the answer is not to eliminate annual passes. Instead, you can simply to raise the fees for the annual camping passes for out-of-state visitors. This would allow equitable services for ALL visitors!

Thank you for your time and attention.
