Dear Madams and Sirs:

As a 70 yr old residents

Wit of New Mexico and a long-time purchaser of NM State Park annual passes, I would urge you to continue to make these available for camping and day use. The Annual Passes provide an economical and healthy activity for residents, particularly at my age. Having a fixed income, these annual passes have been obtainable and have provided us with opportunities to visit various areas of beautiful New Mexico. With the treasury surpluses that the state enjoys, I feel that some of these funds should be used to improve paving and facilities at our parks, particularly Elephant Butte. The Elephant Butte State Park is in great need for RV site reconditioning and bathroom facilities.

Most Sincerely,

Jamie Dale and Sharol Goad  
Carrizozo, NM
