Thank you for responding to me, mr langenegger,
It is wonderful that our state is encouraging more residents to avail natural beauty in our state parks. We have had some of the lowest fees here and over many years I have seen many more non residents than new mexicans in our parks. Typically non residents have acquired more finances than we here in new mexico. New Mexico has often received lowest wages of america. I have worked in New mexico for 40 years receiving a salary much less than my counterparts from other states so my social security received is less also. Please do not consider the \$5 as minimal to new mexicans who have much lower spendable money in later senior years. Please do not charge us money to put in paddle craft at our state parks which we have been contributing to for our working life. Thank you
Jane Trulley

Good morning Jane,

Currently the proposal is to require a \$5.00 per vehicle fee for individuals launching paddle craft in State Parks. There is no exception for seniors in the proposal. Our proposals currently are not final. We are in the public comment period of our rule revision process. We will be accepting public comments until 3/29/24 and will hold a rules hearing on 4/1/24. I would encourage you to please provide comments regarding the revisions. You can respond directly to this e-mail if you have any comments.

Thank you,

Jared Langenegger, Field Operations Bureau Chief

NM State Parks Division

Paddleboard launch for NM senior residents

Message

I have read about the \$5 fee to launch my kayak. Soon to be 75 years old. Will a fee be required for seniors?
