Hello EMNRD Managers,

NM has many great State Parks. As you look at fees and needed income to maintain these areas, I support some fee increases. I read the letter submitted by life long friend, Dana Roth and wish to add an “amen” to her all points for consideration.

Also, I like to see family recreation but the high level of trash left behind now has me wondering about lack of respect for nature spaces and endangering the habitat. This is a worldwide issue. Your rangers certainly have more issues to deal with current human usage.
